UNIVERSAL TIP

Designed with the end user in mind, our finger-friendly applicator features a wide surface area for one-finger use. The spray nozzle is uniquely designed to sit out of the way of your finger, resulting in no more paint on your fingertips. Fits in most competitors' aerosol machines.

WHERE TO USE

From sporting fields to fairgrounds, our paint products leave their mark in a variety of places:

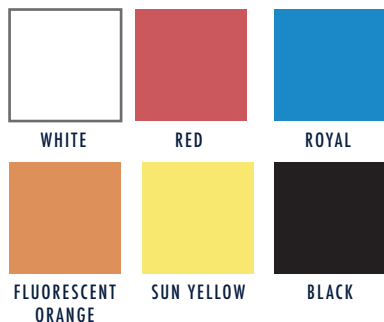

- Football, soccer and baseball fields
- Tennis and volleyball courts
- Gold courses
- Band Practice areas
- School grounds
- Grass parking areas
- Parks and recreation areas

AMERI-STRIPE BULK PAINT

Ameri-Stripe bulk paint delivers high marks in quality and quantity. Available in 5-gallon containers, its vibrant appearance and lasting durability result in a longer shelf life at a cost that won't dry up your budget. Ameri-Stripe bulk paint is formulated for striping lines on grass fields, cinder, dirt and other natural playing surfaces. It will not stain clothing or blur with rough use. It is ideal for use on football, soccer, baseball and golf courses.

- High visibility and vivid line markings under any lighting condition
- Durable and resilient under even the most severe weather
- Better coverage, easy to apply and dries quickly
- Low VOC formula
- Won't harm grass or stunt its growth

COLOR OPTIONS:

We do not stock the bulk paint. Shipping charges apply for all orders less than 25 pails.
